COLLEGE  
DEGREE

Students can earn a **TUITION-FREE  
Associate Degree** when they  
graduate high school!

The **Pathways to Bright Futures** Program allows high school students to earn an associate degree (or up to 60 college credits) while earning their high school diplomas.

### What if students want to earn a bachelor's degree?

Students who graduate with the associate degree may enter a four-year program as a junior in college.

### Do the college credits earned transfer?

Yes. Credits are transferable to Louisiana public colleges and universities.

### What's the cost?

Free. Tuition, textbooks, transportation and other fees are covered.

\$20,000 = average saved in tuition and fees

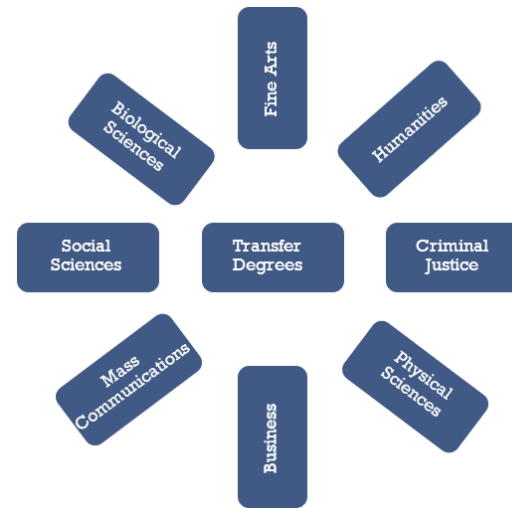

### How does this program benefit students who do not want to go to college?

This program will give students the competitive skills needed to secure high paying jobs.

### How will students be able to do this?

Students will be enrolled in 4-6 dual enrollment courses each year earning both high school and college credits at the same time.
